</tbody>
</table>

Sig. (1-tailed) indicates the significance level for the correlation. The values are as follows:

- Sequential-Global: Sig. = .067, N = 251
- Working on your own: Sig. = .000, N = 250
- Maintaining your motivation: Sig. = .004, N = 250
- Managing your time: Sig. = .007, N = 250
- Building a sense of belonging to EBS: Sig. = .003, N = 245
- Interacting with EBS faculty: Sig. = .092, N = 232
- Networking with other students: Sig. = .079, N = 231

The values in the table represent the Pearson correlation coefficients between different activities, with significance levels indicating whether the correlation is statistically significant.
