Appendix C: Raw and Edited Transcript Example

Raw transcript

So I have a, er, setting the strategy, setting the, the direction, setting the framework, erm, for those two areas of risk and then for the oversight and application of it. So a lot of my time is spent fronting up to the group type boards, or group committees on, you know, how we are performing in these areas, erm, and supporting the business units and how we implement and manage operational strategic risk.
