

FULL-TEXT NOT AVAILABLE

I'm sorry - the full-text of this thesis is not currently available in HWURPA.

If you are a Heriot-Watt University student or member of staff, you may borrow the hardcopy version from the University Library. If not, it should be possible to obtain a copy through your library's Inter-Library Loan service.

IS THIS YOURS?

The University is keen to obtain digital copies of past theses, in order to make the collection as comprehensive as possible and to publicise the research carried out by our students.

Research shows that an electronic thesis is consulted **ten times** more than a paper copy held in a Library's store, so making your thesis available this way will make your research more widely known.

If you have a digital copy of your thesis, and would be willing to make it available in HWURPA, please contact us at the following email address:
