Personal information about the interviewee	<ul style="list-style-type: none"> • Person and internal function • Education and career within the company • Former employers
Changes of employment	<p>Please tell me something about your former employments and the reasons for changing the employer. Which ways did you take and what expectations were connected with the change?</p> <ul style="list-style-type: none"> • Reasons for the change/s • How did you learn about your current employer (Point of contact)? • Expectations when changing to the current employer • Do you think that your current company is successful with its recruitment activities?
Recruitment activities	<p>Please tell me something about your role in the recruitment process of your company.</p> <ul style="list-style-type: none"> ○ What recruitment activities do you know? (E.g. campus recruitment, etc.) ○ Do you think the quantity of such activities is sufficient? ○ Are those activities efficient? Or is there a low return on the effort? • What further activities do you think would increase the recruitment success of your company?

Stakeholder view

<p>Stakeholder relations and stakeholder map</p>	<p>When you think back to the time when you joined the company. How did you experience the recruitment process?</p> <ul style="list-style-type: none"> • Can you describe me a typical recruitment process in your company from your perspective now? <ul style="list-style-type: none"> ○ Please describe the relations to the internal and external partners/players/stakeholders? ○ What do you think works well? ○ What do you think is missing? ○ Do you think some of those relations need to be adjusted or changed? <ul style="list-style-type: none"> ▪ How urgent are those changes? • From your perspective: which are the most important external partners/player/stakeholders for recruitment? What are their interests? <ul style="list-style-type: none"> ○ Which ones are especially important to recruit graduates? ○ Which ones are especially important to recruit experienced employees? ○ What do you expect for the future regarding those relations? ○ Do you also see stakeholders with an indirect influence on recruitment? • How do you see the recruitment activities of your company in comparison to competitors on the labour market? • Which stakeholders that we have not yet talked about do also play an important role?
<p>Benefit and risk potentials (generally)</p>	<ul style="list-style-type: none"> • What potential benefits do you see in the stakeholder relations we have just talked about? • Which risks are connected with those stakeholder relations? Do you see any? <ul style="list-style-type: none"> ○ Do you think win-win-situations can be created here? • What do you think could your company learn from those stakeholders for its recruitment? • What do you think could others learn from your company? What works very well?
<p>Dialogue</p>	<ul style="list-style-type: none"> • What could you personally contribute to improve the recruitment success of your company? • Could you imagine working more closely together on the topic of recruitment with the stakeholders we have just talked about? • What would you need to approach them more actively? (e.g. Information, incentives...).

<p>Benefit and risk potentials (employer branding)</p>	<p>If your company would think and act more with having those stakeholders and the connected network in mind – would this have an influence on recruitment and your image as an employer?</p> <ul style="list-style-type: none"> ○ Why do you think would this have/haven't an impact? ○ Which consequences would a dialogue with selected stakeholders have on the image as an employer? ○ Would such a change make a company more attractive for you as an employee or potential employer? ○ Do you see here potential benefits? ○ Which potential risks do you see?
<p>End</p>	<ul style="list-style-type: none"> • Is there something about the topic of recruitment that we have not talked about but you think could be important? • Thank • If I would have further questions, may I get in touch with you again? • Explanation how the research process continues now (What is next?) • Next year a validation study will take place – would you be willing to participate in a short online-survey to help validating the findings?
